I give it at the acme of the pain, and quit when the head is born, so that patient may take what you want them to. Shoulders are great factors in ruptures, but too much stress is laid upon them. Immediate repair is better in nearly all cases, rather than waiting, for then denuding will be necessary. Dr. J. E. Cowles: If you will let a case go one day, just as well let it go six weeks, is not the case. In a day or two we can see what to do nicely, but later surface would have to be denuded. We desire to call the attention of our readers to the offer of Geo. M. Gould, M.D., editor of The Medical News. The Doctor offers a prize of \$100 for the best...
