However correct the principles of an art may be. in theory, the practice of those principles must inevitably be liable to the errors and frailties of human nature; and every system depending upon such contingencies must necessarily be open to improvement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
