The topics covered are the following: The purpose of marriage and lessons from the first marriage How clearly defined roles determine your marriage's success and insulate you from the scourge of unmet expectations A spiritual and practical checklist for picking the right spouse in the first place Three critical principles of communication Learning to fight properly by mastering conflict resolution techniques How not to make outlaws of your in-laws and parents I can't live without you!-myth or fact? If sex can be good and at the same time godly; also what is sexually permissible for a Christian couple What happens when the initial attraction fades or love dies What to do when your spouse is attracted to or involved with an external party The key to raising godly offspring Each chapter in this Workbook mirrors the topics in the Text with...
