iUniverse, United States, 2005. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.The government has literally billions of dollars to give away. While many people express interest in applying for government grants they falsely think the process is too complicated. The Guide to Government Grants Writing simplifies this process. In addition, information is provided on bidding for government contracts, which are available to organizations of all types as well as individuals. The Guide to Government Grants Writing is a concise, simple but elegant tool designed to assist any individual or organization, including non-profit and for-profit businesses on researching and writing government grant applications. The Guide illustrates and provides specific step-by-step examples on how to complete the seemingly dense application as well as forms required of all government grant applications. The Guide is a basic reference tool for accessing grants information on all government levels-federal, state and local. Specific state-by-state details are provided on grants available in all 50 states. Don t let the forms and the length of the application announcement prevent you or your organization from applying for government grants and or seeking government contracts. The Guide to Government Grants Writing makes the entire process manageable. Don t let your organization miss out on the opportunities.
