JR Books Ltd, United Kingdom, 2009. Hardback. Book Condition: New. 266 x 210 mm. Language: English . Brand New Book. Peter Brookes latest collection of sharp political sketches brings us right up to date with Obama, Brown, Mandy, Cameron, Osbourne and many more. Heads of states to religious heads are all happily lampooned by this irreverent, award-winning Times cartoonist. As recession hits, hoodies storm the Royal Bank of Scotland and Boris Johnson is suggesting that children fill empty seats at the London Olympics, we are fortunate to have Peter Brookes wicked eye commentating on the foibles and fancies in our politics and news. According to Brookes, Jackie Smith s third home is a nuclear bunker. The engine on a Boeing 777 is a roulette wheel, while two wary passengers are wondering if flying could be a gamble. His list of worldwide high-velocity assault weapons includes a pistol in Germany, an AK47 in Northern Ireland, and a shoe in Iraq. Biting, superbly entertaining, and laugh-out-loud funny, this is a superb collection of the cartoonist s daily cartoons and his Nature Notes from The Times. Peter Brookes is the political cartoonist of The Times. He was voted Political Cartoonist of the Year in 1996 and 98, and has won three Silver Awards from the Designers and Art Directors Association. He has produced three high successful collections of his Nature Notes cartoons and one collection of his daily cartoons.
