THE WHITE CLIFF

DOWNLOAD

iUniverse, United States, 2004. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.With power and emotion, Edward Schwartz gives the readers in *The White Cliff* the impassioned story of a broken friendship of two men--a writer, Martin Bell, and a scientist, Harold Flint. They are both trapped by their own contradictions: ambition and fear, desire and obligation, self-confirmation and responsibility. Woven in a tapestry of inner voices of his heroes, Schwartz takes us from a movie-studio to a scientific laboratory; from a hospital s OR to the International symposium; from the church to the KGB office in Russia. Among personages, whose lives are being entwined into fates of two main protagonists, there are the following: Dr. Ann Bell, Martin s wife, who tries to reshape her life beyond the family triangular; Bill Acheson, Martin s friend and a movie director, who tries to perforate Martin s screenplay-confession into a piece of art; Margaret Dixon, Ann s sister and a talented journalist who begins to realize that articles of faith that have shaped her life, are far too simple; Dr. Joe Smith, a gifted scientist who has given up the battle with morality, and does not stop even in treason to satisfy his desires. All these personages, and many others, create a colorful pattern in the kaleidoscope of human life, where and the world of science, and the world of literature are only two colorful stones among myriads others.
