Nature IQ: Lets Survive, Not Die

By Keith Alan Hamilton

Inner Child Press, Ltd. Paperback. Book Condition: New. Paperback. 138 pages. Dimensions: 10.0in. x 8.0in. x 0.3in. Preface One of the methods back in 2012 other than print I chose to publish this book of poems, sayings, and more was online without charge over the internet, using a flip-book technology. My goal was to have as many people as possible take advantage of the freely accessible way Ive communicated my thoughts. I offer those who choose to read my words the opportunity to hear my call to action regarding the survival of humankind. I also waited until the last part of 2012 to promote the distribution of Nature IQ: Lets Survive, Not Die in PDF format (free download) to demonstrate a positive voice that focuses on the most vital needs and issues of the people. 2012 was a year filled with the hype of doomsday prophesy and the campaign for election of the president of the United States. It was another election where our choices between candidates were once again devoid of timely concepts and practices that would help the people with immediate and long-term circumstances. Unlike those candidates for president, Ive suggested a more cooperative, forward thinking, transitional and adaptive...
