

## Stem Jobs in Music

By Shirley Duke

Rourke Educational Media, United States, 2014. Paperback. Book Condition: New. 249 x 185 mm. Language: English . Brand New Book. STEM jobs in music range from developing new effects to recording performances. Sound engineers, technicians, and acoustic engineers are just a few of the ways you can contribute to the music industry without ever picking up an instrument! Learn about how music therapists are using different forms, or genres, of music to study different affects they have on the human brain. So, next time you listen to your favorite song, you will have a better understanding of how many people were involved in the process! This book will allow students to understand how structures can be designed to serve particular functions by taking into account properties of different materials, and how materials can be shaped and used.
