Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE VAULTED SKY (HARDBACK)

iUniverse, United States, 2009. Hardback. Book Condition: New. 226 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.The flying business seizes Patrick Montalto at an early age. A young, Italian-American from New York, his earliest memories of a fragile biplane avoiding a disastrous end on a summer s day in the country provide the single-minded impetus to an improbable journey. It starts when his father and a friend chip in for a harmless airplane ride from a small grass airstrip in the Westchester hills. It is a coming of age journey as Patrick learns to fly on that field during a Depression that doesn t allow for many dreams. As the Second World War engulfs Europe, it takes Patrick to a barely clandestine British operation to recruit American flyers, where he has to choose between one dream of the sky and another of a college education.
