With these words General Bee ensured the reputation of Thomas Jonathan Jackson and his troops who were fighting alongside him at the battle of the First Bull Run. This reputation was enhanced in Jackson's Shenandoah Valley campaign and other operations where the Stonewall Brigade's actions gained the praise of their Confederate compatriots and the respect of their enemies. This book examines the uniforms, equipment, history and organization of the Brigade and its combat experience during the American Civil War. Detailed maps and contemporary illustrations accompany this account of their major engagements.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
