Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1864 Excerpt: . . . In considering miracles more controversially, there is one method of treatment against which we should specially be on our guard, since it is flattering to intellectual pride. This method professes to retain Scripture, but to reconcile it in all respects with ordinary experience--in short, to make it probable. It takes those parts of the volume which it does not like and explains them away. It has a little store of reagents under which the sacred narrative soon disintegrates; some parts disappear as allegories, others as mistakes of interpreters; more as errors in manuscript, or as spoken by the individual writer from himself. Difficulties are easily thus disposed of, and at last there remains as the result a word of God purged of all that could offend any ones incredulity. There are some not ill-disposed men who allow themselves to be led into this trap without understanding whither they are going; and that in their effort to escape minor difficulties, they have run against the greatest difficulty of all. For what is this system but to say, some parts of Scripture are from God, others from man; some parts are inspired, others not In the very same letter of one apostle these two may occur, and every man may judge for himself which is which. Every one must separate by his own skill the divine from the human element in the Bible. At this point comes in a sceptical objector, and says, A book cannot in any...
