Excerpt: . . . MATERIALS FOR THE HOUSEHOLD INTRODUCTION Purpose and Scope This circular describes the more common materials, other than foods and drugs, used in the home. A previous circular in this series described household measurements and a third circular (now in preparation) treats of household safety. The present circular relates to the quality and use of materials. While written primarily for the household, it may incidentally interest dealers in materials for the household, who should be in close touch with its needs, and teachers of home economics who are training future home makers in scientific home management. The purpose of the circular is practical--(i) to stimulate the interest in household materials, (2) to explain the nature of their desirable properties, (3) to aid in their intelligent selection, and (4) to promote their effective use and preservation. A better utilization of materials will aid the efficient administration...
